Photos – getting passport quality photos
Provide two identical colour photos that are less than 6 months old and send them with this application. Do not staple or paperclip the photos to the application as this will damage them and we may not be able to use them in your passport.

New technology has been introduced to scan your photos and ensure that they meet international travel standards. We strongly recommend that you obtain your photos from a business that provides a passport photo service, as the business will help ensure that your photos meet our requirements.

Photographs that do not meet our requirements will NOT be accepted and this will delay the issue of your new passport.

To help you avoid some of the most common problems with photo quality, we have summarised the main requirements below and provided some sample photos.

Application fees must be paid in the currency of the location where you are lodging your application. Application fees are regulated by the Passport (Fees) Regulations 2015.

As fees are all regulated in New Zealand dollars, from time to time the fees for lodging your application in Australia or the UK are reviewed to reflect the current exchange rate. The latest review took effect from 1 March 2019.

If you reside outside of New Zealand, and are sending your application to New Zealand for processing, we will exclude the GST amount from the above New Zealand application fees. Please note that International Courier Fees apply.
